ACQUIRE

- * Quickly acquire important data from Android and iOS devices in a forensically sound manner
- * Unplug your device on the fly during an acquisition and Mobilyze will automatically preserve the acquired data

TRIAGE

- * View data in real time as it is being acquired
- * Immediately assess a device's relevance to your case with intuitive keyword and date-range filters

REPORT

- * Summarize your data with the new court-ready Mobilyze Report, available in HTML or PDF
- * Tag and export selected data for real-time collaboration
